CLOSING DATE
15 February 2019

NOTE
All short-listed candidates will be subjected to a technical exercise that intends to test relevant technical elements of the job. Following the interview and technical exercise, the selection panel will recommend candidates to attend a generic managerial competency assessment (in compliance with the DPSA directive on the implementation of competency-based assessments). The competency assessment will be testing generic managerial competencies using the mandated DPSA SMS competency assessment tools. The successful candidate will be appointed subject to positive results of the security clearance process and the verification of educational qualification certificates. Applications must be submitted on a signed Z83 Form (application form), obtainable from any Public Service department website, and should be accompanied by a comprehensive CV as well as certified copies of ID, all qualifications and all academic records. It is the applicant’s responsibility to have foreign qualifications evaluated by the South African Qualifications Authority (SAQA) and to provide proof of such evaluation. Incomplete applications or applications received after the closing date will not be considered. It is important to note that it is the applicant’s responsibility to ensure that all information and attachments in support of the application are submitted by the due date. Due to the large number of responses anticipated, correspondence will be limited to short-listed candidates only. If you have not been contacted within three months of the closing date of the advertisement, please accept that your application has been unsuccessful. Thank you for the interest shown in the Department. This is a Senior Management post. Candidates should therefore possess managerial skills. Candidates who are short-listed, could expect to undergo management competency assessments. Management competencies: Strategic capacity and leadership, people management and empowerment, advanced programme and project management, change management, financial management, knowledge management, Service Delivery Innovation, advanced problem solving and analysis, client orientation and customer focus, advanced communication (written and verbal) and advanced presentation/public speaking skills.
