NOTE: The Director-General of the Department of Public Enterprises (DPE) will be required to develop and lead a team that can effectively exercise the Shareholder’s oversight responsibilities with increased vigour, and to help ensure that the seven State-owned companies (SOC’s) in the DPE portfolio, reduce their reliance on the fiscus and return to financial and operational sustainability. These SOC’s support a number of strategic priorities of government, including to accelerate investment in the economy, to promote industrialization, to stimulate local manufacturing and to promote socio-economic progress in the communities where they operate. Through corruption, mismanagement and state capture, considerable damage was done to SOC’s.
