GOVERNMENT TECHNICAL ADVISORY CENTRE (GTAC)

APPLICATIONS:
Potential candidates may apply online on the GTAC website at https://www.gtac.gov.za/careers. Please visit the GTAC website at www.gtac.gov.za for more information. NB only online applications will be acceptable.

CLOSING DATE:
7 August 2020 at 12pm.

NOTE:
Only South African Citizens, and Permanent Residents need apply as per PSR 2016. Applications should be accompanied by a duly completed and signed Z83 form (obtainable from any Public Service department). The post title and reference number must be clearly indicated on the Z83 form. A recent comprehensive CV and originally certified copies of qualifications, and ID should be submitted. Certification should be not older than 6 months from date of application. Short listed candidates must make themselves available for a panel interview on the date determined by the GTAC. All short-listed candidates will be subjected to personnel suitability checks and the successful candidate will undergo the SMS Competency Assessment and security vetting in order to confirm employment. Late applications, and those not meeting the requirements, will not be considered. If you have not received feedback from the GTAC within 1 month of the closing date, please regard your application as unsuccessful. Note: The GTAC reserves the right to fill or not fill the advertised posts. The DPSA Directive on Compulsory Capacity Development, Mandatory Training Days and Minimum requirements was amended with effective date of 01 April 2020. According to the directive requirement for appointment at SMS level will be the completion of the Senior Management Pre-entry programme as endorsed by the National School of Government. The applicant should therefore have a proof that they have registered the for the Pre-entry certificate and have completed the course before the interview. The cost of the pre-entry certificate is for the candidate’s expense. To access the pre-certificate course, please visit: https://www.thensg.gov.za/training-course/sms-pre-entry-programme/

DUTIES:
Planning & Conducting Research - Plan for and conduct research and provide strategic inputs on the design of the Jobs Fund funding initiatives. Analyse the portfolio through the review of available data, as well as planning for additional data collection to align with strategic research objectives of the Jobs Fund (JF). Develop metrics for assessing performance trends across job creation models/ sectors in the JF portfolio. Draft Terms of Reference for and manage, research studies to be conducted by external researchers/evaluators. Develop innovative and alternative models of assessing the Fund’s value for money (including social innovation) to stakeholders. Distil research findings into concise reports and policy recommendations for dissemination to the JF team and external stakeholders. Aligning Portfolio & Business Strategy - Use research findings to inform the JF’s business strategy and design by ensuring alignment between the portfolio and the Fund’s investment strategy. Learning & Knowledge Management - Perform rigorous and insightful analysis on the JF portfolio. Work closely with different JF business units in identifying key lessons during and post project implementation; ensuring that relevant and up to date content is available for advocacy purposes. Develop Knowledge Management directories and repositories. Develop a knowledge culture (including promoting open communication, collaboration and knowledge sharing) between business units through methods such as knowledge forums and workshops. Networking -
Identify strategic audiences through stakeholder mapping and develop targeted knowledge material. Ensure a detailed understanding of the current socio-economic and political climate through stakeholder engagement and assessment. Form research partnerships with credible and key players in the market.

**DUTIES:** Competencies Required: Project Management - Knowledge of the principles, methods, or tools for developing, scheduling, coordinating, and managing projects and resources, including monitoring and inspecting costs, work, and contractor performance. General Management - Process of planning, directing, organising and controlling people and resources within a unit or a sub-unit in order to achieve organisational goals. Economics and/or Finance - Science that studies the allocation of resources to satisfy unlimited wants for capital. Database management - Knowledge of the principles, procedures, and tools of data management, such as modelling techniques, data backup, data recovery, data dictionaries, data warehousing, data mining, data disposal, and data standardization processes. Computer Literacy - Knowledge and ability to use computers and technology efficiently. Refers to the comfort level someone has with using computer programs and other applications associated with computers (SPSS, STATA, Advanced Excel and MSOffice general). Problem Solving and Analysis - Understanding a situation, issue, problem, etc., by breaking it into smaller pieces, or tracing the implications of a situation in a step-by-step way. It includes organizing the parts of a problem, situation, etc., in a systematic way; making systematic comparisons of different features or aspects; setting priorities on a rational basis; and identifying time sequences, causal relationships, or if-then relationships. Create timely and well-developed solutions by examining alternatives, risks and consequences. Information Seeking & Sharing - Driven by an underlying desire to know more about things, people or issues, beyond that required in the job. This competency may include searching extensively for exact information, solving problems by asking a series of questions, or stockpiling information that may be of future use. Client Orientation - Client-service orientation implies helping or serving others, to meet their needs. It means focusing on discovering those needs, figuring out how to best meet them as well as putting into practice the Batho Pele spirit. The term "clients" refers to both internal and external clients.
