TO: ALL HEADS OF DEPARTMENT

Dear Colleagues,

SUBJECT: AVAILABILITY OF THE eDISCLOSURE SYSTEM ON THE INTERNET

The purpose of this notice is to inform you that the eDisclosure system is available on the internet using the URL: www.edisclosure.gov.za.

Since the implementation of the eDisclosure system in 2014, the system was available only on the government network, making it difficult for designated employees when outside their offices to access the system to disclose their financial interests. This state of affairs affected compliance with financial disclosure regulations. It is, therefore, my pleasure to inform you that the eDisclosure system is now available on the internet, using the URL indicated above. This means that the designated employees can now use smartphones and tablets to register and disclose their financial interests online.

Kindly note that the Ethics Officers, Heads of Department, and the Officials of the Public Service Commission will still have to use the government network to verify financial interests disclosed by designated employees. In this case, the old URL: <https://edisclosure.gov.za> should be used. All the rules pertaining to log in are still applicable. Please inform all the designated employees in your departments about this development.

Kind regards,

Ms Yoliswa Makhasi
