FOR IMMEDIATE RELEASE

The Ministry for the Public Service and Administration will lead build-up activities in Lejweleputswa District Municipality ahead of the Free State District Development Model Presidential Imbizo

The Ministry for the Department of Public Service and Administration (MPSA) and the Ministry in the Presidency for Planning, Monitoring and Evaluation (DPME) will on Wednesday, 06 December 2023, lead build-up activities in Lejweleputswa District Municipality ahead of the District Development Model (DDM) Presidential Imbizo in the Free State province.

The Deputy Ministers, the Provincial and Local Government Executive Leaders and senior government officials will support the two Ministries.

The build-up activities aim to promote direct engagement with communities on their daily service delivery experiences, allow citizens to submit proposals on how to address bottlenecks in service delivery and present the government an opportunity to table service delivery plans and interventions within the Lejweleputswa District Municipality.

These activities will occur on the eve of the 11th Presidential Imbizo led by His Excellency President Cyril Ramaphosa on Thursday, 07 December 2023. This will be the second Presidential Imbizo hosted in the Free State following the initial Imbizo held in the province's Mangaung Metropolitan Municipality on 09 April 2022.

The Ministerial build-up activities will include unannounced visits to service delivery sites and a community engagement with stakeholders and the communities to discuss ways to improve government service delivery in the region.

Media representatives are invited to attend and cover the Presidential Imbizo build-up activities as follows:
