Public Service and Administration Deputy Minister Dr Chana Pilane-Majake to Engage Stakeholders in the Community of Hammanskraal

Deputy Minister for the Public Service and Administration, Dr Chana Pilane-Majake, will engage various stakeholders in the Community of Hammanskraal in Tshwane Region 2.

The purpose of this engagement is to gather valuable insights and feedback from the stakeholders to develop effective strategies for improving service delivery in Hammanskraal in partnership with the government.

During the engagement, the Deputy Minister will also engage on issues surrounding the Rooiwal Waste Water Treatment Works, which is the subject of the findings that the Public Protector of South Africa (PPSA) recently released.

The formal part of the engagement will be preceded by unannounced visits to local service delivery sites.
