MEDIA ADVISORY

FOR IMMEDIATE RELEASE

2 October 2023

Minister Noxolo District Development Model Engagement and Catalytic Projects in Frances Baard District Municipality

The Ministry for the Public Service and Administration invites all media representatives to cover the visit of Public Service and Administration Minister, Ms Noxolo Kiviet's District Development Model (DDM) Engagement and visit to Catalytic Projects in the Frances Baard District Municipality, Northern Cape on 03 October 2023.

The DDM Engagement aims to foster synergy between national, provincial, and local priorities, facilitating the implementation of immediate priority projects and long-term strategic frameworks for effective service delivery and development. This integrated approach aligns plans at the local municipal level, promoting holistic service delivery.

The oversight visit will be attended by the national champion, Minister for Public Service and Administration, Ms. Noxolo Kiviet, along with provincial champions, Executive Mayors, and key stakeholders from government departments and municipalities.

The visit will include an inspection of the progress of the Water Treatment Project in Warrenton and an assessment of the state-of-the-art Redirile Primary School. These catalytic projects showcase the commitment of the government to improving service delivery and creating opportunities for the communities in the Frances Baard District.

Media representatives are invited to cover the key highlights of the event, including the government's commitment to improving service delivery, the ongoing work in the

entire district, and the potential for community development. The engagement will provide insights into the progress of the district's plans and catalytic projects.
