TO HEADS OF NATIONAL AND PROVINCIAL DEPARTMENTS AND PROVINCIAL ADMINISTRATIONS

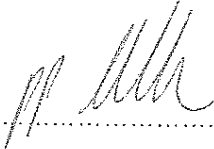

Invitation to a One Day Roll-Out Workshop on the implementation of the Gender Equality and the JobACCESS on the Recruitment, Employment and Retention of Persons with Disabilities in the Public Service Strategic Frameworks

1. In August and November 2008 both the Gender Equality Strategic Framework for the Public Service and the JobACCESS Strategic Framework on the Recruitment, Employment and Retention of Persons with Disabilities in the Public Service were approved for implementation in the Public Service workplace.
2. In terms of the relevant circulars that have been issued the implementation date for both Strategic Frameworks was 1 April 2009.
3. In order to expedite the implementation of these Strategic Frameworks, the Diversity Management Component located within the HRMD Branch of **dpsa** will be hosting a single joint roll-out workshop with the remaining National Departments and Provinces in order to heighten their awareness on the imperative to implement these Strategic Frameworks in the Public Service.
4. Departments are requested to delegate a Senior Manager responsible for Gender and Disability, a Disability and Gender Focal Persons, and a Human Resources Manager to attend the workshop.
5. All remaining National Departments and Provinces have been organized into three groups as follows:

- Gauteng Province and National Departments – 16 October 2009 at Diep in Die Berg in Pretoria.

6. We are looking forward to the continued close collaboration between the dpsa and all National and Provincial Departments on these Strategic Frameworks.

Kind regards.

Prof. Richard Levin
