RE: RECRUITMENT ADVERTISING IN VUK'UZENZELE GOVERNMENT NEWSPAPER

The Government Communications and Information System (GCIS) has been tasked to provide for recruitment advertising in *Vukúzenzele*, the government newspaper. This is in line with overall government austerity measures to use GCIS media bulk buying to achieve economies of scale, as adopted by Cabinet in 1998 when GCIS was established.

The GCIS has embarked on a strategy to facilitate recruitment advertising for national and provincial departments and to increase the print run and frequency of *Vukúzenzele*. Taking into account fiscal prudence and the requirements in terms of the Public Service Regulations, 2001, departments are hereby notified to consider utilizing *Vukúzenzele* for the advertisement of vacancies in the public service.

Yours sincerely

ADV NGOAKO A RAMATLHODI, (DR) (MP)
MINISTER FOR THE PUBLIC SERVICE AND ADMINISTRATION
