DIRECTIVE ON COLLECTIVE AGREEMENT XIX: ALLOWANCES FOR PERSONNEL SERVING EXECUTING AUTHORITIES

COLLECTIVE AGREEMENTS PER RESOLUTION 3 OF 1999 ON REMUNERATION, ALLOWANCES AND BENEFITS AS CONCLUDED IN THE PUBLIC SERVICE CO-ORDINATING BARGAINING COUNCIL (PSCBC) IN FEBRUARY 1999.

GENERAL ISSUES

1. This Directive has to be read with the above collective agreement and the relevant paragraph in the Financial Manual (paragraph 10), that is effective from 1 July 2000.

PREVIOUS PRACTICE

2. The above agreement accommodates personnel who, in the past, were appointed in accordance with the following former PAS's/Special PAS's:
 - 2.1 Role Playing Posts: As posts in this former Special PAS could not be linked to existing occupational classes, they were grouped in the said PAS. Holding of a post as indicated in item 3.0 of this PAS, amounted to the interpretation of a role and offered no career opportunities. Incumbents were originally supposed to occupy the posts only for a limited period and then to return to the occupational class/es of origin. This constituted that any occupational class, such as personnel officer, engineer, etc., could be applied.
 - 2.2 Registry Clerk
 - 2.3 Ministerial Typist
 - 2.4 Household Manager
 - 2.5 Household Worker
 - 2.6 Manager: Guest House.

3. Executing Authorities' offices had to be adequately staffed to provide them with the support needed to carry out their functions. The following norms and restrictions dictated the filling of posts in the former Special PAS for Role Playing Posts:
- 3.1 Creation of role playing posts had to be effected on the basis of a full-scale work study investigation;
- 3.2 The filling of role playing posts were restricted to the rank/grading not **higher** than that of –
- 3.2.1 Director (or equivalent gradings) in the case of Private Secretary, Administrative Secretary, Parliamentary Officer, Special Programmes Officer and Public Relations Officer (PRO). The PRO had to, on a full-time and continuous basis, form part of the personnel core of a Minister/Premier as recommended by the PSC and approved by Cabinet.
- 3.2.2 Deputy Director (or equivalent grading) in any other administrative or line function including Assistant Private Secretary, except in the case of a Medical Attaché where only members of the occupational class Medical Officer were to be utilized.
- 3.3 The provision of Private Secretaries, Assistant Private Secretaries, Administrative Secretaries, Public Relations Officers, Ministerial Typists, Registration Clerks and Drivers were further limited to the following numbers as, *inter alia*, determined in Chapter 14 of the Ministerial Handbook :- (The prescripts on the personnel in the table below were effective from 4 December 1996.)

Provisioning for -	Private Secretary	Assistant Private Secretary	Administrative Secretary	Public Relations Officer	Driver	Ministerial Typist	Registration Clerk	Messenger
Minister/Premier	1	1	1*	1	1	2	1	1
Deputy Minister/ MEC	1	-	-	-	1	1	1	1

* An additional post could be provided for those ministries, deputy ministries, Premiers and Members of the Executive Council where the portfolio included more than one executive institution.

NEW STRUCTURE FOR CORE STAFF FOR POLITICAL OFFICE BEARERS

4. With regard to the Presidency's letter dated 8 August 2000, the most recent Cabinet decision on the core staff for political office bearers has been made known and the personnel structure in political office bearers' offices is indicated below: (The current maximum provision of a core staff for Ministers/Premiers/Deputy Ministers/MEC's as reflected in Chapter 14 of the Ministerial Handbook, are in the tables at paragraphs 4.1.1 and 4.1.2 below.)

4.1 The new approved core staff for political office bearers implies new posts as well as name changes. To shed some light on the changes that took place in respect of Chapter 14 of the Ministerial Handbook, the personnel of the core staff are divided in columns I, II and III in the table at 4.1.1 below. Column I (announced in the said minute in paragraph 14.1 above), refers to the most recently approved core staff and columns II and III (announced in this department's minutes 4/5/P, dated 25 March 1997 and 3/2/4/26, dated 15 June 1999 and the previous directive) refer to the former core staff provision.

NOTE:

(i) The most important prescripts on the core staff in columns I and II are:

Circular 3 of 2000 E1/6/4/1, dated 23 November 2000;

Circular no 1 of 2000 E1/6/7/1, dated 6 October 2000;

f New posts. The new posts were approved by Cabinet memorandum 35A dated 26 July 2000.

4.2 Executing authorities may utilise the above-mentioned guideline for the Offices of Political Office Bearers provided that staff members be appointed -

4.2.1 on a **contract** linked to the political term of Office of the executing authority concerned. The rationale is that should the term of Office of the executing authority end or be terminated for whatever reason the contract of the appointee is automatically also terminated and will not represent a burden to the public service; or

4.2.2 as **full-time** public servants, provided that they utilise the job evaluation system and ensure that there are sufficient funds available on the approved budget of the respective department for the creation of post(s). The executing authority may **second** personnel from components within the department to the Office of the Political Office Bearer. The advantage of secondment is that staff members could return to their original component on the approved establishment without any burden to the department.

- 4.3 The core staff will therefore be determined by the executing authorities who may decide on the creation and grading of posts as identified in their structure based on proven needs and provided that sufficient funds are available in terms of the medium-term expenditure framework (MTEF). Regulations B.2 and F.1 of Part III, Chapter 1 of the Public Service Regulations is applicable.
- 4.4 **Special Advisers** may be employed in terms of the conditions as laid down by the Cabinet.

General

- 4.5 The Chief of Staff of the Ministry is in charge of the overall management of the Ministers' and Deputy Ministers' offices. The "Head" in a MEC's Office will be in charge of that office.
- 4.6 Executing Authorities may decide to collapse the posts of Appointments Secretary and Private Secretary into one post as identified in their structure based on proven needs. It is advisable that the incumbent of the post Private Secretary should not be the Chief of Staff of the Ministry.
- 4.7 The Department should formulate job descriptions for each member of staff in the Ministry within the framework of the functions of the respective officers approved by the Cabinet.
- 4.8 Clear procedures should be compiled for recording Ministers' meetings, handling of correspondence, answering parliamentary questions and ministerial speeches and briefings.
- 4.9 Departments should develop an effective automated system for the management of ministerial correspondence.
- 4.10 The approved post of Chief Director (Communications) should be located within the structure of the department though answerable to the Minister and under his/her direction in respect of policy matters of the department. The incumbent should be responsible for the media relations of a Minister and his/her department.

NOTES:

- * The messenger that was responsible for messenger duties can now also perform driving duties. The National Protection Unit (SAPS) will still be responsible for protection and security service to political office-bearers. **Please take cognisance of the Note at paragraph 10.1.3 of the Financial Manual regarding the payment of allowances as well as the allowance payable to Driver/messenger in paragraph 10.2.**

4.11 Payment of allowances: (Paragraph 10 of the Financial Manual for the purposes of the calculation of benefits and allowances has to be taken cognisance of and read with this Directive. **Note:** Employees appointed in terms of the said Collective Agreement should be notified at appointment that these allowances are only payable during the period of this appointment.)

4.11.1 The payment of existing allowances are dealt with in paragraph 2 of the collective agreement on allowances for personnel serving executing authorities and should serve as a guideline.

4.11.2 The continued payment/initiation of payment to new incumbents, of allowances, has to be tested against the following criteria: (The following components are provided for.)

- * Inconvenience of working environment (e.g. interaction with persons with high standing);
- * Recruitment (longer working hours- overtime)
- * Undertaking duties that lie outside the employee's primary career or profession;
- * Clothing maintenance; and/or
- * Travelling.

NOTE:

Driver/Messenger

- * Provision was made for 107 hours of converted overtime in the calculation of the monthly allowance payable to drivers at paragraph 10.1.3(a) of the Financial Manual. In other words, overtime can only be claimed after more than 107 hours of overtime has been worked during the course of a month.

Household Manager

- * Provision was made for 50 hours of converted overtime in the calculation of the monthly allowance payable to household managers at paragraph 10.5.1 of the Financial Manual. The same principle applies here as with the drivers indicated above. **This principle should be implemented not later than 1 September 1999.**

4.11.3 Levels of payment of allowances should be continued on the basis of the previous considerations. Although only one agreement applies to various occupational dispensations, only maximum allowances payable are indicated in the agreement. Amounts should be paid to the categories as indicated in paragraph 10 of the Financial Manual.

4.11.4 **Clothing grant:**

(a) **Clothing grant as a single once-off payment:**

This amount is a once-off grant to the incumbent of the post to whom such a grant is payable. It is not paid again when the incumbent serves a new political office bearer, without any interruption in the service. Provision is made in the monthly personal non-pensionable allowance for the maintenance of clothing, once the clothing grant is paid. This component is adjusted annually with the CPI on Footwear and Clothing by the Minister for the DPSA. This single clothing grant to the relevant personnel is for the purchase of (formal) clothing outfits on the provision that they -

- (i) furnish proof of their clothing purchases; and
- (ii) be contractually bound for a period of 24 months, after making use of the relevant concession, to repay the full amount made available, or a **pro rata** portion thereof, to the State should they resign or should their services be terminated as a result of misconduct before expiry of the 24 months.

NOTE:

The only time that the same person is thus eligible for the payment of this clothing grant again, is when he/she had an interruption in service.

(b) **Clothing grant as an annual payment in the case of driver/messenger in paragraph 10.1.3(b) of the Financial Manual**

- (i) Where personnel are expected predominantly to wear their service uniforms, or predominantly to wear their service uniforms that are usually provided by the department, only the difference between the various uniform provisions and clothing grant in this subparagraph is paid.
- (ii) If it is expected of personnel to predominantly wear private clothing, they are entitled to the full clothing grant in this subparagraph.

- (iii) Payable on submission of either receipts or statements from firms (duly certified by the driver concerned and the Appointments Secretary/Private Secretary of the political office bearer concerned).
- (iv) Payable to either the driver/messenger (in case of receipts) or the supplier (in case of statements) concerned.

NEED FOR POLICIES TO BE DEFINED WITH REGARD TO THE NEW STRUCTURE

- 5. Departments/provincial administrations have to consider the development of policies with regard to the following aspects:
 - 5.1 The filling of these posts will be determined by the fact whether a person is already taken up in such a post, is a serving official in another post or somebody from outside the Public Service. (Departments will have to determine policy in this regard.)
 - 5.2 Departments/provincial administrations will have to, with the norms and restrictions in paragraph 4 in mind, determine their specific needs with regard to posts to be filled:
 - 5.2.1 strategies and goals will have to be determined;
 - 5.2.2 re-organising if necessary.
 - 5.3 As CORE's are not so narrowly defined as was the case with the previous Personnel Administration Standard (PAS) system, departments/provincial administrations will have to determine which CORE will be most suitable to accommodate these personnel. It is, however, suggested that the following CORE's, *inter alia*, be considered:
 - 5.3.1 Management and General Support Personnel
 - 5.3.2 Communication and Information Related Personnel.

NOTE:

Care should be exercised to take the person up in the most suitable CORE in each relevant department/provincial administration. It might be necessary to evaluate the job in terms of the job evaluation system to determine the level/grading of the job.

- 5.4 Although the personnel referred to in paragraph 4 above were previously appointed in (a) post/posts on the fixed establishment of departments/provincial administrations on the basis of a work study investigation, the incumbents of such posts are still responsible to the relevant executing authority (Minister, MEC etc.). In other words support is given to the individual. Therefore each executing

authority has the prerogative of who supports him/her. The implication is that each executing authority will/can appoint the personnel of his/her choice.

5.5 In the above regard, departments/provincial administrations will have to determine the appointment capacity, which can be one of the three alternatives (having regard to the measures in Part VII A – H of the new Public Service Regulations):

5.5.1 Appointment on the fixed establishment – taken up in the most suitable CORE;

5.5.2 Contractual appointment.

5.5.3 Secondment.

NOTES:

* The person to be appointed should be given the opportunity of making a choice in this regard.

* The risk of being appointed on a contractual basis stands to reason in the case where the executing authority's term comes to an end and the appointee and employer should carefully consider this aspect and the appointee's position after the expiry of the executing authority's term.

5.6 The grading of a post, with paragraph 4 in mind, should be determined in a job evaluation investigation.

5.7 Although it was the original intention that incumbents in role playing posts return to the occupational class/es of origin, in many cases for many reasons such as scarcity of trained and experienced personnel, personnel never returned to the occupational class/es of origin.

ALLOWANCES

6. Calculations of the allowances are dealt with in the Financial Manual.

CONSULTATION AND NEGOTIATION

7. A bargaining council may negotiate as indicated in the agreement.

1. **SERVICE BONUS** (*Resolution 3/99 Part I and Resolution 7/2000 Part 11*)

1.1. The service bonus of an employee should be calculated as follows:

$$\text{Amount of the service bonus} = \frac{A}{365} \times B - \left[\frac{C}{365} \times B \right] + \left(\frac{D}{E} \times \frac{B}{365} \right)$$

where-

A represents the following service period (in days and not more than 365 days), as the case may be -

- the service period of 12 months ending on the last day of the month that precedes the month in which the service bonus pay date for the employee concerned falls; or
- the period which elapsed from the date of the (latest) appointment of the employee concerned up to the last day of the month preceding the month in which his or her service bonus pay date falls, if he or she had not been employed for the full period of 12 months as mentioned above;

B represents the following amount, namely -

- 100% of the gross basic salary (excluding any allowance, irrespective of whether it is pensionable or not) of the employee for the month in which his or her service bonus pay date falls, if he or she is a member of a pension fund; or
- the gross basic salary (excluding any allowance, irrespective of whether it is pensionable or not) of the employee for the month in which his or her service bonus pay date falls if he or she does not qualify for membership of a pension fund;

C represents the number of days, if any, in respect of which the person concerned, during the appropriate period represented by factor A above, received no salary as a result of -

- vacation and/or special leave without pay granted to him or her; and/or
- unauthorised absences from service recorded as vacation leave without pay; and/or

- his or her having been suspended from his or her duties without emoluments in terms of the applicable employment legislation that he or she was appointed; and/or
- payment of his or her salary having been entirely suspended on the grounds of an offence, which he or she committed while carrying out military service; and

D represents the number of working hours, if any, in respect of which the person concerned during the appropriate period represented by factor A above, received no salary because of unauthorised absences from duty which is recorded as pro rata vacation leave without pay; and

E represents the minimum number of working hours, which the employee concerned must work per day.

1.2. The pro rata service bonus should be calculated according to the following formula:

$$\text{Amount of the service bonus} = \frac{A}{365} \times B - \left[\frac{C}{365} \times B \right] + \left(\frac{D}{E} \times \frac{B}{365} \right)$$

Where

A represents the period (in days) extending from the first day of the month in which his or her last service bonus pay date fell (or from the date of appointment in the case of death if the deceased was not paid a service bonus previously), up to his or her last day of service.

B to E represents the same as depicted in 1.1 above with the exception that where reference is made to the month in which his/her service bonus pay date falls, it should be replaced by the month his/her services terminate.

2. **LEAVE PAYOUTS** (*Resolution 7/2000 Part 7*)

For a full explanation of how leave should be calculated for purposes of payment, please see the Department of Public Service and Administration's circular E1/2/2/P dated 30 November 2000.

3. HOME OWNER ALLOWANCE (Resolution 3/99 Part IV)

3.1. Calculation of monthly allowance

The monthly allowance, which can be paid to a person, represents the smallest of-

3.1.1. R 566** (R 514* in the case of a person who owns another previously subsidised home or who did not use the proceeds from the sell of a previously subsidised home)

OR

3.1.2. An amount calculated according to the following formula:

$$A \times \frac{B}{100} = \text{said amount (rounded to the nearest higher Rand)}$$

where-

A represents the person's recognised loan amount or total of acknowledged loan amounts

B the factor 0,8082* (or 0,7331* in the case of a person who owns another previously subsidised home)

OR

3.1.3. An amount (rounded to the nearest higher Rand) calculated at the rate of 66%* (or 64%* in the case of a person who owns another previously subsidised home) of the person's compulsory monthly capital and interest redemption which is paid by stop-order to the mortgagee.

3.2. The allowance that may be paid in respect of interest on the first/main mortgage before the first instalment is calculated as follows:

$$A \times \frac{B}{30} = \text{allowance on interest}$$

where

A represents the monthly allowance that is payable in respect of the person's recognised loan amount; and

* These change quarterly on 1 January, 1 April, 1 July and 1 October

B represents the actual number of days (maximum 30) in respect of which interest was imposed.

4. **OVERTIME REMUNERATION** (*Resolution 3/99 Part VII*)

4.1. Overtime rates for Sundays and during the night (20:00 and 06:00) are calculated according to the following formula:

$$2 \times T$$

4.2. Overtime rates at other times as those mentioned in par.5.1 above, are calculated according to the following formula:

$$\frac{4}{3} \times T$$

4.3. T is calculated as follows:

$$T = \frac{A}{365} \times \frac{7}{B} \times 1$$

Where

A is equal to the smallest of the salary notch of the person concerned or if the overtime duty is performed on a working level lower than the normal working level of the individual concerned, the maximum salary notch of the salary grading attached to the post class that is representative of the lower working level.

B is equal to the weekly number of hours of attendance prescribed for the employee

5. **STANDBY ALLOWANCE** (*Resolution 3/99 Part VIII*)

R22,15 p.d. (With effect from 1 July 2000)

6. **DANGER ALLOWANCE** (*Resolution 3/99 Part IX*)

The basic principle for the calculation of the Danger Allowances in daily terms regarding paragraphs 7 and 8 of Resolution 3/99 Part IX, is as follows:

Annual Tariff
365

Example: $\frac{R\ 200 \times 12}{365} = R\ 6,58\ \text{p.d.}$

7. **TRANSPORT BETWEEN RESIDENCE AND WORK** (*Resolution 3/99 Part X*)

Employees who on a monthly basis use government transport on less than half of the working days per month, because they only travel in one direction daily, working shifts or do not frequently use the said transport for specific reasons, pay only half the applicable tariffs. The percentage utilisation in the circumstances referred to above is calculated as follows:

$$\frac{\text{Number of single trips} \star \text{ travelled in the relevant month} \times 100}{\text{Number of workdays} \star \text{ in the relevant month} \times 2}$$

★ = the number of trips/workdays or a ratio based on the average number of single trips normally travelled per month according to the department and the average number of days normally worked per month.

8. **ACCOMMODATION ON OFFICIAL JOURNEYS OUTSIDE THE REPUBLIC** (*Public Service Regulation V/F.2*)
