1. The Minister of Finance announced the following tax amendments, effective from 1 March 2021 (2022 tax year):
 - 1.1. Revised income tax rates, of which the details are available from the SA Revenue Service (SARS).
 - 1.2. The following revised medical scheme contribution tax credits:
 - 1.2.1. R332 per month (R3 984 per annum) for the principal member of the medical aid scheme.
 - 1.2.2. Additional R332 per month (R3 984 per annum) for the 1st dependant.
 - 1.2.3. Additional R224 per month (R2 688 per annum) for each further (additional) dependant.
 - 1.3. Revised primary rebate of R15 714 per annum for persons younger than 65 years.

2. Due to these amendments, approval is granted to SMS and MMS members and affected OSD employees, **who so wish**, to restructure the flexible portion of their Total Cost-to-Employer (TCE) packages, with effect from 1 April 2021.
3. **Please note that this approval does not pertain to once-off choices by members to the percentage that constitutes the basic (pensionable) salary in their TCE packages.**
4. The 2021 SMS, MMS and OSD Models, which serve as tools to members and employees to structure their packages, have been updated and are available on the DPSA website (www.dpsa.gov.za).
5. Departments are requested to inform SMS and MMS members and affected OSD employees accordingly.
