Preparation of monthly and annual reports, do stock-takes to order supplies and equipment and do other common "non-medical" duties performed by expedition members. Should the incumbent present a befitting profile, he/she could be nominated as the team leader of the expedition. The successful incumbent will be required to perform the role of the onboard ship doctor en-route to Antarctica including pre-departure preparations. During this period the Doctor will need to undergo the requisite training provided and comply with all policies and regulations governing the ship's crew.

ENQUIRIES
NOTE

: Ms C Phamoli Tel No: (021) 405 9423
: The incumbent will execute duties at a Sub/Antarctic Base and adhere to the health, safety and environmental requirements. The successful applicant will spend a full year (December 2023 to February 2025) at SANAE base. There is no option to return to South Africa before February 2025. The ability to work and live with small groups of people is thus essential. Although the base is well-equipped with e-mail, fax and satellite telephone facilities, the applicant has to be self-sufficient and self-motivated. The location may affect both the physical and mental well-being of the incumbent, their family and close relationships. Candidates must be physically fit, mentally strong and prepared for physically challenging and satisfying work. In addition, the successful candidates may often be called upon to work long hours in extreme conditions on duties unrelated to their function. Short-listed candidates will be subjected to screening and security vetting to determine their suitability for employment. Appointment to these positions is subject to a rigorous medical examination as well as psychometric assessment, which will be arranged for at no cost to the applicants.
