

GOVERNMENT TECHNICAL ADVISORY CENTRE (GTAC)

<u>APPLICATIONS</u>	:	Please register, or if you are already registered, sign in and apply for this position on the GTAC eRecruitment website https://erecruitment.gtac.gov.za/erecruitment/
<u>CLOSING DATE</u>	:	13 November 2026 at 12pm
<u>NOTE</u>	:	Only South African Citizens, and Permanent Residents need to apply as per PSR 2016. Applications should be accompanied by a duly completed and signed Z83 form (obtainable from any Public Service department). The post title and reference number must be clearly indicated on the Z83 form. A recent comprehensive CV should be submitted. Certified copies of qualifications and other relevant documents will be required to be submitted to HR on or before the day of the interview from shortlisted candidates. All short-listed candidates will be subjected to security vetting to confirm employment, personnel suitability checks and undergo an SMS competency assessment prior to the interview. Short-listed candidates must make themselves available for a panel interview on the date determined by GTAC. All shortlisted candidates, including the SMS, shall undertake two pre-entry assessments. One will be a practical exercise to determine a candidate's suitability based on the post's technical and generic requirements and the other must be an integrity (ethical conduct) assessment. Selection panels shall score both technical exercises as an additional criterion in the interview process. Late applications, and those not meeting the requirements, will not be considered. Should you not receive feedback from GTAC within 2 months of the closing date, please consider your application unsuccessful. GTAC reserves the right to fill or not fill the advertised post. Preference will be given according to EE and Gender target. Applications: Only online applications will be accepted. Applications not accompanied by a comprehensive CV and a fully completed Z83 form will not be considered. The GTAC is an equal-opportunity employer and encourages applications from women and people with disabilities. Our buildings are accessible to people with disabilities and reasonable accommodation is provided for persons with disabilities.
OTHER POST		
<u>POST 39/56</u>	:	<u>DEPUTY DIRECTOR EVALUATION AND LEARNING: JOBS FUND REF NO: G18/2026</u> Term: 24 Months Fixed-Term Contract
<u>SALARY</u>	:	R932 292 - R1 098 195 per annum (Level 11), (all-inclusive)
<u>CENTRE</u>	:	Pretoria
<u>REQUIREMENTS</u>	:	A degree (NQF 7) in M&E, Development, Public Administration, Economics or other related field. Honours or Master's degrees in M&E, social sciences or equivalent experience and education would be advantageous. Training or certification in statistics and quantitative measurements would be advantageous. Minimum 6-8 years experience in monitoring, measurement and evaluation of development programmes/projects; conducting evaluations and writing evaluation reports, at least 2 years at management level. Experience capturing both good practices and lessons learned, in a variety of approaches (e.g. end of the project evaluation, special studies); Experience in project design and evaluation; Experience in research, policy analysis and evaluation of donor-funded projects; Experience of Donor Communities and Development of Enterprise Standards; Experience in the preparation of evaluation reports for different audiences – technical, management, government, donors and other stakeholders; Experience in application of leading qualitative and quantitative data collection, analysis and reporting tools; Experience in managing projects with multiple stakeholders; Excellent report-writing skills.
<u>DUTIES</u>	:	Evaluation and Support: Execute the Jobs Fund Evaluation Framework and Learning Agenda. Support the evaluation of projects and extract learnings from the Jobs Fund portfolio. Provide the inputs to Terms of Reference for evaluations and manage the service provider selection process. Manage the service providers secured to carry out project-level evaluations. Provide inputs into the design of baseline assessments, formative evaluations, mid-term evaluations and summative evaluations for projects. Support partners in the

development of results chains for their projects. Plan for, design and conduct formative, process and summative evaluations. Utilise evaluation results to improve project roll-out, and to appraise new projects. Promote and Enhance Learning: Analyse and synthesise findings from project evaluations. Support awareness sessions with partners on evaluations, results-based management and project close-outs. Perform benchmarking and learning exercises on job creation, sustainability and systemic change. Document feedback on learnings from case studies, reviews, project close-out reports and other related factors. Engage in activities related to the synthesis and dissemination of lessons learned by the Jobs Fund. Support evaluation outputs and facilitate the implementation of recommendations from evaluations. Client Engagement: Liaise and engage with stakeholders on learning and evaluation at the project level and Jobs Fund level. Providing support to Jobs Fund Partners to ensure post-Jobs Fund success. Appraise the Project Implementation Monitoring Plans and Theory of Change of new project applications. Advise on the use of job proxies when required. Evaluation and Learning Framework: Support the JF in meeting evaluation and learning targets. Support the development of a learning framework with each business unit in the Jobs Fund. Provide technical support to project managers and the Communications Unit to develop and document compelling outcome and impact success stories, and to foster institutionalisation and internalisation of learning processes. Contribute to the training of project managers and partners on evaluation methodologies. Management of Data and Systems: Identify opportunities to optimise the Job Fund's collection, use, and management of data. Support the training for Jobs Fund staff on the use of systems and effective data collection, use, and visualisation. Simplify complex systems and processes into user-friendly guidance for staff. Collaborate with the grants management system (GMS) team and unit staff on broader system enhancements. Data Analysis, Research and Learning: Provide technical support to short- and long-term research, analysis, and information gathering assignments in support of evaluation and learning efforts. Manage, analyse, and effectively visualise large and complex data sets. Coordinate and respond to internal and external requests for data and data analysis. Support the synthesis of Jobs Fund knowledge, knowledge dissemination and active engagement of wider market players. Support the systematic recording of the social impact of Jobs Fund projects. JFPs already report social impact through narratives in quarterly reporting. Monitoring and Evaluation System: Execute the overall framework of the monitoring and evaluation activities. Assess the validity of monitoring and evaluation data through regular and ad-hoc review of activities. Draft, revise and update tools and data collection procedures (e.g. logical framework, project performance tracking, indicators, data flow chart, M&E manuals). Support the Monitoring, Evaluation, Reporting and Learning Lead in defining and implementing key project performance indicators (KPI) as well as monitoring them throughout the duration of projects.
