#### Main objective of the Multistakeholder Session

The revival of the OGP programme in South Africa, which started with the submission of the OGP 4<sup>th</sup> National Action Plan in 2020, has reached a stage of consolidation. The main objective of the session is thus to further confer with stakeholders on the feedback received from the public, as per the co-creation principle, on the two draft commitments which will constitute the OGP 5<sup>th</sup> National Action Plan by among others:

- Conferring further with the stakeholders based on the feedback received on the two commitments;
- Sharing the roadmap on the consolidation of the OGP programme revival;
- Contextualising the two commitments within the implementation of the African Peer Review Mechanism (APRM) National Plan of Action, as per the principle of complementarity adopted by the Cabinet; and
- Providing a platform to stakeholders to articulate their views/ opinions on the revival process going forward.
